## ACNMWA SCHOLARSHIP

The Arkansas Committee of the National Museum of Women in the Arts (ACNMWA) annual internship is awarded to a female student attending an Arkansas university or college whose program of study is applicable to the advancement of fine arts, art history or arts administration.

The internship is designed to give the student an opportunity to learn about and make contributions to the cultural life of Arkansas. The recipient receives a \$2,000 stipend for a 3-month summer internship with an Arkansas arts institution. The collaborating institution receives a \$500 stipend for expenses and staff dedication to the program.

The applicant must be 18 years of age or older and have resided in Arkansas for at least one year. Applicants complete the online form by December 31, 2020. The recipient is notified by February 1, 2021. Visit **ACNMWA.org** for information on joining the Artists' Registry and for the online intern application.

### **ACNMWA (The Arkansas Committee for the National Museum of Women Artists)**

I would like to share information on this organization since I believe its stated goal will benefit the many talented women artists who are members of CLA.

ACNMWA is a nonprofit volunteer organization established as an affiliate of NMWA. The museum brings recognition to the achievement of women artists of all periods and nationalities by exhibiting, preserving, acquiring, and researching art by women and by teaching the public about their accomplishments.

The goal of ACNMWA is to provide programs and activities that promote education, professional opportunities, and advocacy for Arkansas women artists through programs and personal development.

In the last newsletter, I forwarded information on joining our art registry. I hope many of you entered your application. In this newsletter I would like to make you aware of our internship program. I think back a few years when Karmen Barnes was our CLA scholarship recipient and think of how she would have benefitted from being named the ACNMWA intern. I am sure you know of other art students who could qualify for this position. Let us know.

I am honored to be on the board of ACNMWA and feel most fortunate to know so many of the very talented Arkansas women artists who are members of the CLA network.

## CLA Holiday Photo

**Share** - We won't be meeting together as a group for Christmas, but we can come together through a Holiday photo share.

Send us one holiday photo that you would like to share with CLA. This could be a festive holiday greeting to bring us some holiday cheer...or a completely goofy photo of yourself to give us a much needed laugh; e.g.- you proudly wearing your ugly sweater! We want to see your photos!

Please turn your photo in by December 7th and they will be sent out in a collage display by December 11th through email and posted on Facebook. If there are other people in your photo that you would like listed, please send their names also. Send your photo to Leslie Collier, [bee1212house@yahoo.com](mailto:bee1212house@yahoo.com). Email if you would need another way to send photo.
